DESIGN AND MANGE A FARM - SCALE

Developing A Food Forest...!

What is a Food Forest...

A food forest, also called a forest garden, is a diverse planting of edible plants that attempts to mimic the ecosystems and patterns found in nature. Food forests are three dimensional designs, with life extending in all directions – up, down, and out.

Agriculture

🤔 If I had a farm house I would love to grow my own fruits and vegetables.

💡 **Deep Woods Harmony** ensures that your desire is fulfilled from day one. Your farmhouse comes with a small vegetable garden and a fine selection of fruit bearing trees, exclusively for your dining table. Produce like tomatoes, chillies, brinjal, carrot, french beans, lemon, guava, mango, papaya, custard apple, sweet lime, chikoo(sapota) & coconut gives you variety and plenty of satisfaction. Especially, when it is from your own farm to plate.

DEEP WOODS HARMONY

Deep Woods Harmony - A project being developed on a 40 acres of land parcel is beautifully located bang on the Tilari Ghat highway and is blessed with a lake on one side and a beautiful mountain on the other. Not to mention the vast green spaces in and around it.

With an abundance of ground water and rich soil quality, you can be rest assured of the appreciation that you will end up witnessing in the future.

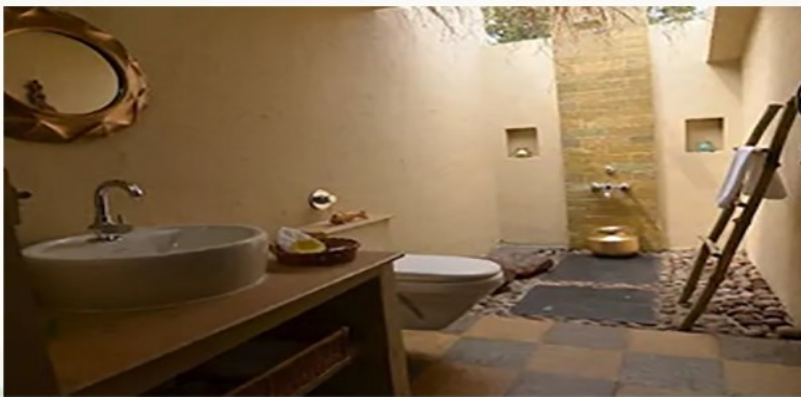

🤔 I always wanted a farmhouse but I am used to modern comforts and security of own house.

🧠 **Deep Woods Harmony** gives you the best of both worlds. We quite understand that you have passed the roughing it out days and are used to a medium of comfort and a little luxury too... Relax and enjoy!! At **Deep Woods Harmony** you will receive 24-hour water supply, Electricity line, 24x7 security with CCTV's installed at every required location. Savor delicious meals delivered to your doorstep from 'our own kitchen'.

Eco- Resort...

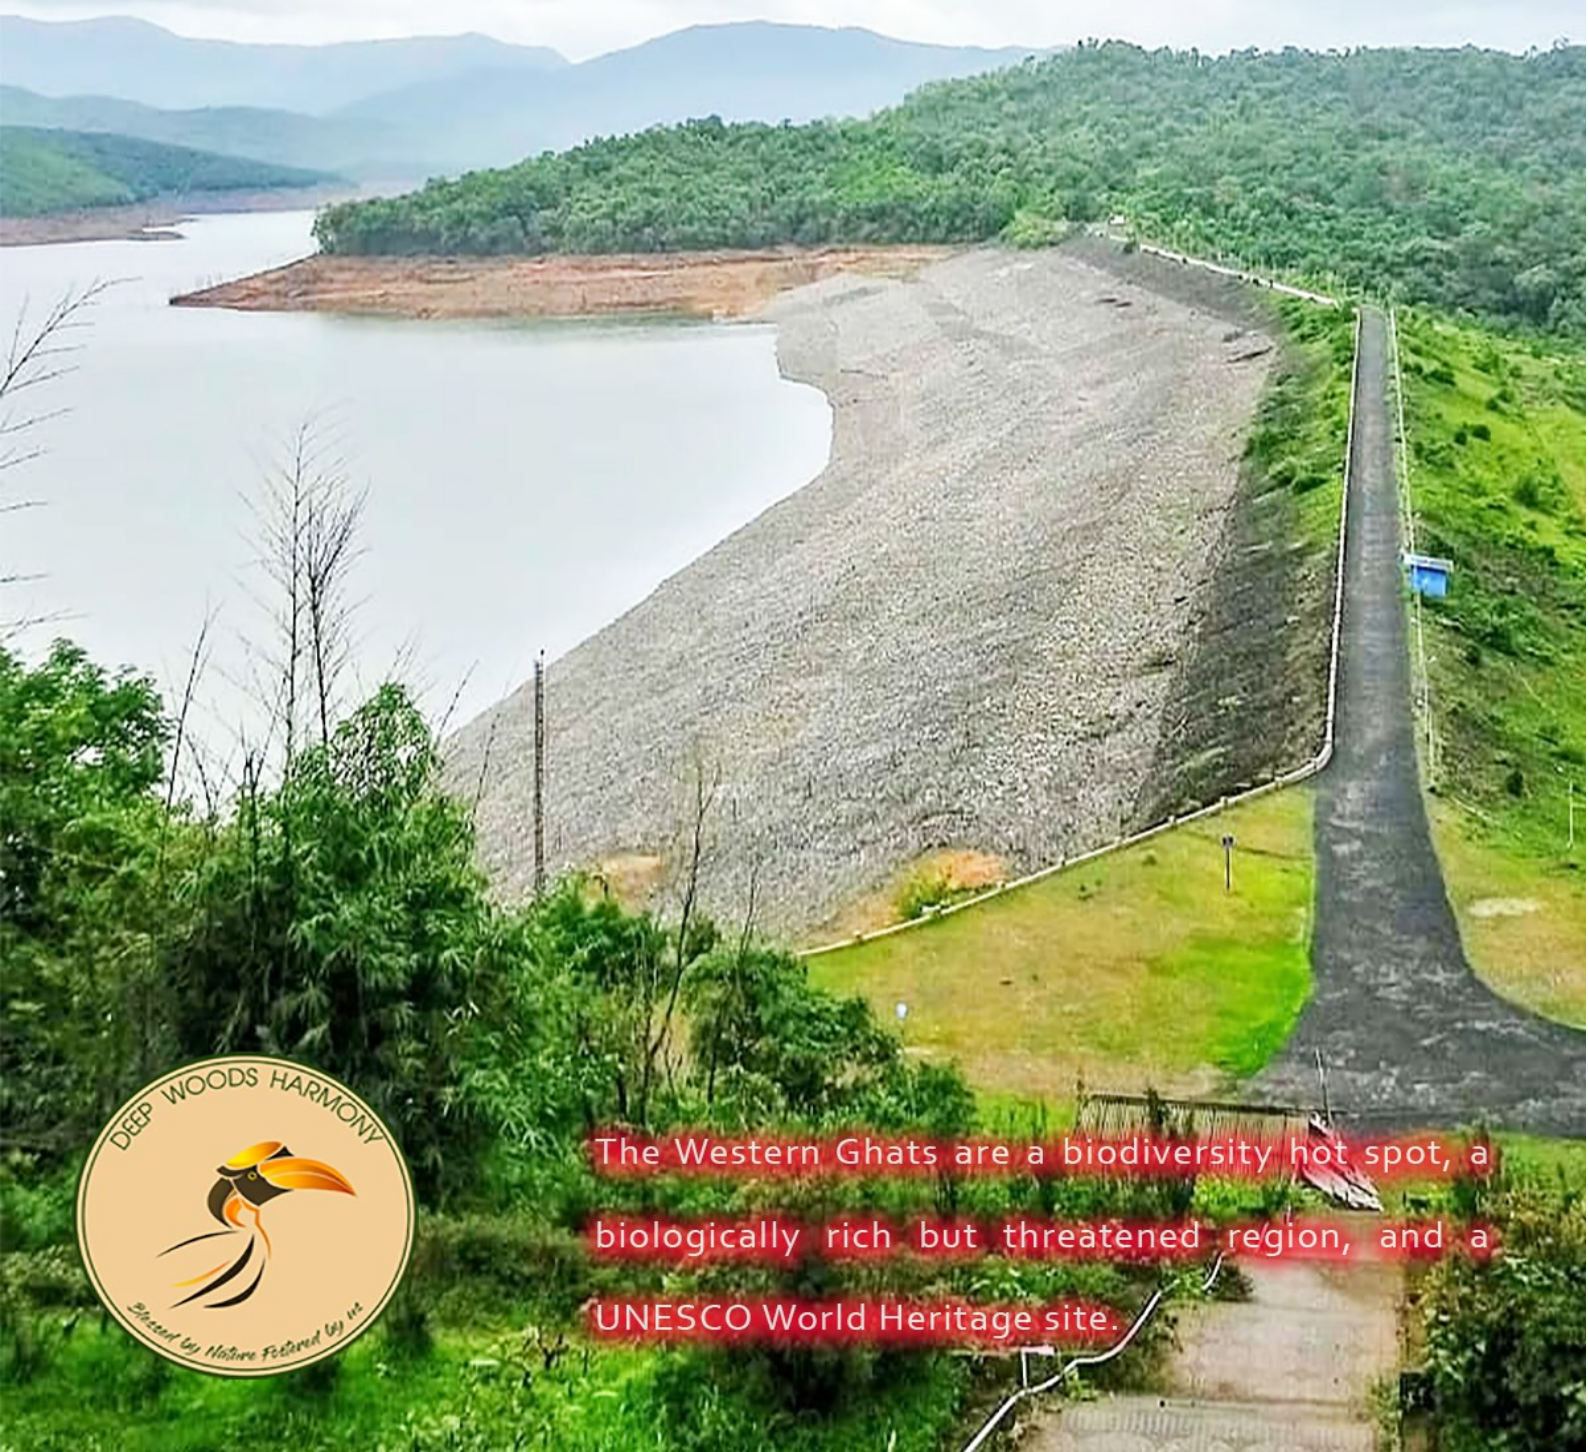

Remember those days when you used to simply climb up the trees and pluck those juicy mangoes from your backyard... Here is an opportunity to do it again.

At Deep Woods Harmony, we bring you an opportunity to own not only a precious piece of land where you can plant trees of your choice and build a farm house of your own but also invest into an opportunity of a lifetime to own a piece of land at an 'unbelievable price'.

Located at the foothills of Western Ghat, at Taluka Dodamarg,
Distt. Sindhudurg, Maharashtra.

The Western Ghats, also called Sahyadri, are a north–south-running range of mountains/hills in western India that forms the crest of the western edge of the Deccan plateau parallel to the Malabar Coast of the Arabian Sea.

The Western Ghats are a biodiversity hot spot, a biologically rich but threatened region, and a UNESCO World Heritage site.

Surprise!! It really fits your wallet.

🤔 I always wanted a farmhouse, but it is unaffordable.

💡 We have kept the best news for the last. A farmhouse at **Deep Woods Harmony** costs less than a 2 BHK flat in the heart of a City!!

To be absolutely candid, this is not a real estate investment!! You have already done that. You have been there before. Now indulge yourself!! While in pursuit of your ambitions, you also need to invest in your strength and make refreshing decisions that impact your future. The most important decision will have to be taken now...

...your investment in **Deep Woods Harmony**
